

The Partners for Clean Streams (PCS) invites you to support the . . .

**12<sup>th</sup> Annual Maumee Watershed  
Clean Your Streams Day  
Sat., September 13, 2008.**

This annual cleanup has removed over 47 tons of trash from local streambanks in eleven years of the program. Interesting items such as a compass, gas can, necklace, seat from a car, lego man, computer, respirator, baby bottle, golf club, dog kennel, birth control pills, pillow, Geocache, lampshade, 18" concrete pony, hospital mask, brief case, bowling ball, old school desk, & Big Wheel tricycle were found last year and hauled away for proper disposal.

If you are tired of all the trash along the streams in the area, you can help make a difference. Join PCS and our many partners to **Clean Your Streams**. This event includes an Appreciation Picnic for all volunteers and special awards for participation in our *Youth, Collegiate, Organization, and Corporate Challenges*. **Clean Your Streams** is perfect for student community service credits. Organization, school, and business groups are encouraged to participate as a team. Groups are encouraged to wear something to promote their organization efforts to improve our environment.
