

4th Get the Lead Out!

New and Improved for 2008

Join Partners for Clean Streams for *Get the Lead Out!*
Volunteers work in-stream and along the bank to remove
fishing line, lead, and garbage from in the Maumee River.
Over 44 pounds of lead has been collected in three years.

We're flexible ~ pick a day & time that fits into your busy schedule!

There are just 3 easy steps:

- 1) **Register** & pickup your GLO Kit
between **May 12th to June 6th**
- 2) **Collect** lead sinkers, fishing line, & cleanup
along the river from **May 23rd to June 9th**
- 3) **Return** your GLO Kit and collected lead
by **June 13th** to receive a special bonus!

It's just that *simple!*

You can help PCS to clean up our streams,
make them safer for wildlife, and more enjoyable for everyone.
