

Partners for Clean Streams (PCS) invites you to support the

**4<sup>th</sup> Annual Get the Lead Out!**

New and Improved Flexible Dates for 2008!

**May 23<sup>rd</sup> - June 9<sup>th</sup> 2008**

Have you ever wondered what happens to those snags and broken lines from fishing? Join PCS for **Get the Lead Out!** and you'll find out. *Get the Lead Out!* is an in-stream and streambank cleanup to collect fishing line and lead from the Maumee River as well as garbage from its shoreline.

This year *Get the Lead Out!*, or "GLO" for short, has been re-vamped to be less weather and water-level dependant. We're flexible so that this will easily fit into your busy schedule! Participants will register and pickup your GLO kits between May 12<sup>th</sup> and June 6<sup>th</sup>. Then groups go out to Maumee River sites and collect lead sinkers, fishing line, and garbage to cleanup along the river between May 23<sup>rd</sup> and June 9<sup>th</sup>.

To support this event, Partners for Clean Streams is requesting donations at the following levels. Donations will be recognized in a variety of ways depending on the level of contribution. T-shirts recognizing Supporters and above are worn proudly throughout the community all year long!
