

Save us a day . . .
May 22 to June 8, 2009

Get the Lead Out!

Volunteers work in-stream and
along the bank to remove
fishing line, lead and garbage
from the Maumee River.

Join our effort to
clean up the
Maumee River

www.PartnersForCleanStreams.org

GET THE LEAD OUT! VOLUNTEERS HAVE COLLECTED OVER
58 POUNDS OF LEAD. THAT'S A LOT OF LITTLE SINKERS!!

Get the Lead Out! is flexible to fit your group's schedule. After registering with PCS, pick up your GLO Kit with cleanup supplies, and go collect lead sinkers, fishing line and cleanup our river! A special thank you gift awaits your group following the event when you turn in your GLO Kit and your results.

Your group can work on their own, join in on one of our sponsored days or perhaps your organization would like to sponsor a cleanup day for your group and have others join you. Call us now for more details.

Call PCS now!
